Dear Ruth,

Have you now completed a review of the documents you have?

You had mentioned a meter earlier. What org did you get this from? It cannot be sold in any other way than back to an org. Please see the qualifying tag on the meter regarding ministers. It is a separate matter to doing the Claims Verification Board routing form but it does need to be handled.

It has been since the 1st July that you wrote to the Claims Verification Board Secretary and this matter should be resolved by now.

Do let me know by return communication what has to be done to complete this cycle.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Bob Bolger'.
