

L. RON HUBBARD'S PERSONAL PUBLIC RELATIONS OFFICE
OFFICE OF THE LRH HOST

June 12, 2002

Dear Bernie,

I'm sure your wife has been in comm. with you. She came and saw me a few days ago about her own situation. We sorted it all out. Ruth is welcome to come back on lines at ASHOF and is no longer in "ethics trouble" as an arbitrary.

I then received the cc of the report you wrote and looked into it. You were mishandled by the Public MAA, Arthur. Specifically, you were kept off course and in ethics for the sake of keeping you off course. This is *NOT* the reason for ethics, the reason for ethics is to get Tech in. I have enclosed a copy of the letter that Arthur wrote to you after his resultant correction.

The other thing that I wanted to indicate is that when you were in the ASHOF courserooms, you were sent to ethics for basically for dramatizing MU phenomena. At the time, there were no posted W/Cers. A few months after you left, the Executive Council of ASHOF realized this as an out-point and strenuously trained and have now put on post 3 W/Cers in ASHOF.

I wanted to let you know that you can feel free to come and see me at any time. You are welcome to come back into the ASHO courserooms. You are welcome at ASHO.

I'd like to know back that you got this and if this handles it for you or if you feel there is something else to be addressed.

Much Love,

Tashania Faust
LRH Host for ASHO
