I just got the attached letter from Ruth in my inbox at the org where Ruth is stating that she wants to be removed from our roster of Volunteer Ministers and removed from our email and phone lists. She also states she no longer has time to volunteer and has discontinued her participation in the VM program of the Church of Scientology of Tampa.

I just checked w/ my senior's senior the FCS Day Ken Kleiderman who checked w/ ADDO and she was dead filed.

I am aware of the fact that my senior wrote a KR on Ruth recently as Ruth got annoyed with Louise for calling to see if she was active as a VM for the week and Ruth did not want to be called any more by anyone.

I also want to mention that Ruth has been connected to Anita and Les Warren. Anita performed her wedding some months back. Also, I was told that the Warren's were using her service "SuperTheta". I do not know in PT if they are off of that at this time. I am aware of the fact that the Warren's are in bad standing with the Church.

This is true!
